

Mission Statement Our Mission is to assist families in transition and their chronically hungry children while developing the next generation of volunteers to carry on the mission of The Kind Mouse. No hardworking individual should ever feel despair due to economic hardships beyond their control. Everyone has a right to feel safe and secure in their own homes and no one should ever go hungry.

MOUSE NIBBLES WEEKEND FEEDING PROGRAM - SPONSOR A CHILD

\$520.00 Will Feed a Child for A Year

The Kind Mouse's Mouse Nibbles Weekend Feeding Program provides food to the "hungeriest of hungry" Pinellas County Children.

We have teamed up with Pack-A-Snack to help fight student hunger.

How The Program Works:

- The school brings to attention the number of children with the most need to The Pack-A-Snack Coordinator. (These are the children who appear to be eating only at school on the free meal programs, with little or nothing to eat at night or during the weekends).
- Kind Mouse is notified through The Pack-A-Snack of a need for weekend food.
- Kind Mouse through our Mouse Nibbles Weekend Feeding Program delivers food to the schools for the children. (We do not know who we are feeding).
- Each Friday the school confidentially provides the delivered Mouse Nibbles bags to the children on the program.
- We continue to feed the children over the summer bridge.
- When The Kind Mouse commits to a child for 1 year, it is assumed we will follow the child through their full school career which could be up to 12 years of schooling.

We also go out into the community and find the hungry children in daycares and agencies.
